The 24 ORE Group

The 24 ORE Group is the leading Italian multimedia publishing organization, operating in the economic, financial, professional, and cultural information sector. The 24 ORE Group has been listed on the Italian Stock Exchange since December 6th 2007.

Il Sole 24 ORE is the leading newspaper in business, financial and regulatory information — a key driver of the Group’s high brand profile — edited by Roberto Napoletano. Il Sole 24 ORE is Italy’s third newspaper and the first digital national newspaper.

The information offering is completed by the specialized digital newspapers, which cover subjects such as taxes, law, labor regulations, real estate, education and finance, the news website www.ilsole24ore.com and the news & talk radio station, Radio24, on air since October 4th 1999.

In the field of services tailored to professionals and businesses, the Group is positioned competitively thanks to its databases, online services and training programs. In addition, 24 ORE Cultura, has become one of the most prominent organizing entities of art exhibitions and cultural events.

Radiocor

Il Sole 24 Ore’s news agency

The real time political-economic-financial information of Il Sole 24 ORE is entrusted to News Agency Il Sole 24 ORE Radiocor, which boasts half a century of experience in the collection, processing and distribution of information in real time.

Radiocor’s core production is composed of RCO Newswire, which delivers an average of 300 daily news in Italian, of RCO World Newswire with over 200 daily news in English and of Breaking News 24, a service of real time news via e-mail or mobile.

With the new English version, RCO Newswire has become an indispensable source of information on the political economy and finance for foreign investors. Thanks to the cooperation with the most important foreign information providers, the Newswire has extended its reach to institutions and financial intermediaries in Europe and USA.

Radiocor Newswire’s delivery on over 300,000 terminals in 192 countries positions the news agency Radiocor as the first and only Italian press agency with a broad exposure internationally, whose reporting is relevant globally.

Real time newswire

RCO NEWSWIRE

The most complete Radiocor newswire with an average of 300 daily takes on the world of finance, the economy and politics.

The information service is ideal for those who work in institutions, in the financial community, in businesses, in the editorial offices of newspapers and magazines and in the world of communication.

2014 brought an enrichment to the Newswire’s programming with new sections:
- “Parola al mercato”: commentary and analysis by the movers of the financial market.
- “Italia Bond review”: commentary and analysis of first and second class Italian bonds.
- “Focus Aste”: forecasts on the next trading sessions and a feature article in the closing trading session.
